Dear Grower

As we did for the past Season the Basic Bark Allocation fell away and was replaced with a request form.

At the start of the Season, you the Grower will advise us of the Tonnage of Bark you would like to deliver.

Should the total request exceed the available Mill capacity, UCL may impose a pro-rata reduction proportionately calculated based in the case of each Grower, past History will also be used as a guide.

Should you have any questions please give me a call.

Regards,

F.M. EGGERS
